Billings' Hispanic Ministry Advisory Board invites you to come celebrate at its "Opportunity Fiesta" and learn how to brighten your future with the many choices that will be offered to the public. Information will be available about current jobs and employment, classes and education, banking, loans and home ownership, healthy living, as well as spiritual and social services. Everyone in our community is welcome to come and enjoy music, tasty food, and warm fellowship on this special occasion. Please join us for this free Fiesta as we salute the Hispanic culture and people of Yellowstone County here in Billings.
